

Comments: TO ALL WHO INQUIRE;

I want to say thank you to Jed Roa for making our Roosevelt Class of 96'-10 Year Reunion at Pipeline Cafe a success. Our Reunion was held on Sunday October 22, 2006.

Jed Roa has made ample time to meet with me, (the Reunion Organizer), as I planned for our Class of 96' Reunion. Jed has also treated me with the highest respect on each occasion that we've met. Jed was very clear and had allowed us much flexibility.

Each of the staff present: sound persons, bartenders, waitresses, security, worked diligently in there positions in order to assure success for our occasion.

The technology and options at Pipeline Cafe are state of the art.

I am very impressed by Jed Roa and his teams professionalism.

I would definitely refer Pipeline Cafe to anyone in need of an organized, professional, and well established facility in which to hold their events. Mahalo to Jed and the Team. Awesome Job!

Comments: Jed, Thank you so very much for all your assistance in making our fundraiser event a reality.

Pipeline Café is an awesome place and your hard working staff made the event move so smooth. I appreciated all the "Extras" that you did for us. It was on and beyond what I expected.

Our guests' enjoyed every moment especially with the ambiance that Pipeline Café provided. I will definitely plan another event at Pipeline Café.

Keep up the great work and thank you for being such a great friend.

I will strongly recommend Pipeline Café to all of my family and friends.

Comments: Pipeline Cafe is THE BEST venue for a graduation party. Our daughter Tiffany graduated from Kamehameha this year (2005) and we considered a variety of the "usual" locations (e.g. various hotels, restaurants, club houses, etc.). When a friend suggested Pipeline, we jumped at the idea and hoped that their schedule fit with ours. As it turned out, our party date was perfect. Pipeline was so accomodating, allowing us full use of the nightclub, to include the stage for three of our live bands, the video network (three huge sreens as well as TVs throughout the club), tables for the food (which we catered ourselves), a great arrangement for soft drinks for the kids and beer and wine for the adults, and even security. All in all, it was a wonderful evening, one that our daughter and her friends truly enjoyed. Mahalo to you Pipeline for a great venue and staff.

Joan Aiu and family.

Aloha Jed & Pipeline Cafe Staff,

Mahalo nui loa for making Hawaii Home + Remodeling Magazine's "Endless Summer" event such a success! All of our guests were so impressed with the venue, food and live vintage surf music by Tiki Taboo. The atmosphere allowed us to truly 'hang loose' with our clients and thank them for their support with this fun festivity! I look forward to having another event in style at Pipeline Cafe.

Jed Roa,

Well the premier 13 th Birthday coming-of-age party was a true rite of passage!

Thanks to you and your crew, my son Ross' dance party for 50 or so of his friends was a total knock out for all involved

The catering and cool environment was a blast for the teens!

It was all good enough to be the talk of King Le Jardin & Punahou campus' around the island.

Ambrose on security at the door made us all feel securely separated from the upstairs crowd; Ryan's food was a hit with the hungry, Anthony's tasty refreshment kept the gang sated and Mikie on the tables cut the groove across the dancefloor from the "magnetic" tables.

I'd recommend any one look into the possibilities at Pipeline for a raging good time.

Sincerely

Ross, Chip & Lorna

Aloha Jed & Pipeline Staff:

On behalf of DA HUI, we want to thank you for your assistance at our annual fundraiser on May 29th, it was such a success! The cooperation from you & your staff made our Da Hui Bash such a great time for everyone! The size, stage, location, accommodations of Pipeline Cafe' really made our turnout of 500+ people very comfortable as guests were not "squished" together and stuffy! We will definitely be booking our event with Pipeline Cafe' for our Da Hui's 30th Year Anniversary Bash in 2006!!!!

Mahalo again!

Comments: Right On Pipeline!

What a way to end 2004. Jed and his gang threw a killer 70's n 80's flashback Party for my entire crew in December, and it was a huge success. There friendly staff and awesome food put everyone in the mood to "Boogie". I'm giving this shout-out to you guys saying thanks for the 2nd Year in row, we couldn't have had more fun than we did that night.

I hope to have many more get togethers at pipeline and I am very impressed with the re-model. Jed, thanks man for keeping the Aloha spirit alive.

Hi Jed,

It was a great pleasure working with you on this event. If I'm selected to chair next year's party, I will not hesitate to contact you (if that's okay with you), but I will highly recommend the Pipeline Cafe for upcoming events. Everything was perfect - you did an excellent job - I couldn't ask for more. I've received wonderful feedbacks about the Pipeline Cafe, the food and hassle-free parking...everything! It will be my pleasure to refer the Pipeline Cafe for any type of functions.

Thank you again and have a wonderful Christmas and a safe and healthy New Year.

Aloha, Viki

Comments: Aloha Mr. Jed Roa,

On Saturday July 10th, we celebrated my daughter, Joslyn Wong's graduation from the Kamehameha Schools at Pipeline Cafe. We all had a BLAST!!

>From the beginning to end it was truly a miracle. Original arrangements were cancelled at the last minute leaving me scrambling. You were so accomodating, working with me around my crazy work schedule (that in itself really meant alot to me - Thanks a million).

The facilities were Off The Hook, a whole lot more than we ever expected. There was something for everyone. The kids really had fun having the dancefloor all to themselves. The killer sound system and DJ was very cool, parking was easy and the pooltables were an absolute hit (I think I even saw Grandma playing a few games back there) Most importantly, my daughter had the time of her life! Just about a year ago I walked into Pipeline Cafe because of a miracle. My Dad's church family, Mana'olana would fellowship there (we're now at Kahala Elementary School). Having my daughter's graduation party was like coming home. You and your staff made everything so enjoyable and made everyone feel so comfortable. To our angel Dave Giomi, your light is getting brighter everyday!! Thank You!

I'd recommend Pipeline Cafe to anyone who's looking for a great place to party. I know they won't be disappointed! Thank you again Mr. Roa for everything, it certainly was my privilege to have met you.

A Hui Hou,

Zelda Nishimura

Comments: Aloha Jed,

On behalf of the Kamehameha Schools Class of 1994, mahalo to you and the crew at Pipeline Cafe for making our 10 year reunion an awesome success!

From beginning to end, you were available to answer any questions we had in planning the event and was always attentive to our needs. The food on the buffet line tasted great and was in ample supply, and the Pipeline staff was courteous in every way. Everyone who attended the reunion had a blast! For anyone planning a high school or college reunion, I would not hesitate recommending Pipeline Cafe!

Photos and testimonials of our awesome experience at Pipeline Cafe can be found on our class website at www.ks94.com

Dear Jed,

On behalf of the Town & Country Surf, we would like to personally thank you for your support and professionalism with our recent Spring Bling event. This year's T&C Surf's spring break party was a huge success thanks to the partnership we have developed with you and your management team. Your expertise in this business helped T&C Surf plan a fantastic party that was enjoyed by over 1500 patrons.

Our main concerns at Pipeline Café were safety and security. In addition to Pipeline Café's security staff, we were able to hire additional security for the event to maximize proper crowd control. At the party, your staff did an exceptional job of monitoring the event to prevent any inappropriate behavior and most importantly, prohibit underage drinking. We also appreciate Pipeline's ability and concern to include T&C Surf on their insurance policy for the event giving both partners maximum coverage.

We are also please that Pipeline Café worked wonderfully with our beverage partner Coors Light. Together, both of you negotiated special pricing that not only gave the legal patrons a great deal, but also maximized sales and promoted a positive advertising for everyone involved. We are very grateful that Pipeline Café offered additional drink specials for our VIP guest in the Tiki Lounge that evening.

Perhaps, the best measure of success is reflected in the glowing responses from people at the T&C Surf Spring Bling. People who frequent Hawaii's nightclubs, concerts and parties gave us an overwhelming yet simple exclamation: "This is the best party ever!" Their comments and enthusiasm are a direct reflection of your incomparable knowledge, outstanding customer service and unsurpassed professionalism. You know your business, Jed, and you are very good at what you do.

Overall, the event was a huge success. Thank you again for helping T&C Surf succeed in hosting a great and memorable spring break party. It is really nice to work with people like you who are extremely knowledgeable, capitalize on successful industry opportunities and are professional in all aspects of their business relations. We look forward to working with you and your staff in the near future.

Mahalo & Aloha,

Lani Isherwood

Comments: Jed,

I would like to take time out to thank you and your staff for helping to make our daughters graduation party such a huge success. Some in our extended family were concerned about leaving the traditional banquet style affair behind and utilizing a night club. After the event we had rave reviews from all of those folks as well as many of our other guests. The comments ranged from the exciting atmosphere of the room to the delicious food to what a good time the kids had (and of course the open bar!). Iris and I would like to comment not only on the good value your club offered but the truly outstanding level of service, accommodation and concern shown by yourself and all of the staff of Pipeline Café. I would highly recommend your establishment to anyone who is considering a party large or small. Again, thank you very much for helping us create a memorable evening.

Aloha, Bryan, Iris and Courtnei

Comments: Jed and the staff of Pipeline Cafe,

The friends and family of Clerie Silva would like to thank the entire staff at Pipeline Cafe for a very succesful fund raising event. The staff bent over backwards to accomodate all our needs prior to the event. And at the event the staff was incredible, they were so helpful with all our needs, from the very small request on up. You or one of your staff were right there when we needed something.

The atmosphere was so great we had people coming in that just wanted to have fun on a Sunday night. They were surprised that a fundraiser was just as happening as a Saturday night.

We owe much of the succes of our fundraiser to You and your Staff.

I would highly recomend to anyone that's having a fundraiser or a private party to look no further than Pipeline Cafe.

Thank You again for putting together a very special night.

Til the next party, Vernon, Dudley, Ed, Kaipo, and the Friends of Clerie Silva

Hi Jed,

I can't thank you enough for everything you've done for me and my team! Your kindness and generosity mean so much to all of us. I hope to work with you again in the future. Our advertising and promoting ran short this year but we won't make that mistake again. Everyone who attended the concert had a wonderful time and my performers and staff loved it as well. Thanks again for helping to make an amazing night. I hope everything is well for you!

Aloha,

Dylan
